Elite Search Consultants Fact Sheet

Elite Search Consultants is dedicated to every detail of overall client needs.

We listen to your search requests and work with you in defining what are "hard" and "soft" requirements. We maintain a comprehensive, well-defined database through which we filter your specifications, resulting in the pairing of the most qualified candidates for your specific requirements. Our database enables us to search and identify candidates specifically by technologies, advanced degrees, language proficiencies, diversity, law school rankings, years of experience, practice expertise. We personally contact each and every potential candidate, thoroughly screening and describing your position and the parameters that define it. Elite's recruiters collaborate to ensure that clients and candidates receive the very best in expertise, customer service and responsiveness. If there is a time sensitive search, resources are allocated accordingly to meet your time constraints.

Elite works closely with you throughout the entire selection and hiring process to ensure a successful placement. We distinguish ourselves with our professionalism, responsiveness and client service.

It is our policy to recruit and provide equal opportunity for any qualified applicant for employment irrespective of race, color, national origin, religion, age, ancestry, disability, or veteran status.

Our team of professionals has extensive experience in identifying, evaluating and introducing appropriate candidates for all levels of positions. We provide insightful placement services ranging from lateral Associates and Partners, to Chief Patent Counsel and General Counsel.

A large number of requests for our services come to us from referrals and recommendations. We feel this is the highest compliment and we are proud of the recognition we have received from our clients for our commitment to service. We value their satisfaction as the best measure of our success.

Elite is privileged to represent a wide range of clients nationwide, including law firms, startups and Fortune 100 companies.
